Senior History

Senior Class History

"Green freshman" was the term applied to us in the fall of 1950 when the class entered L. H. S. On initiation day we dressed in gunny sacks and the traditional lipstuck smears. Pat Warta joined our class making a total of twenty-nine. The members were as follows: Billy Fritschen, president; Dee Palmer, vice-president; Robert Schultz, secretary and treasurer; Sharon Lafferty, Student Council representative; Virginia Reese; Tharon Owens; Lawrence Ruff; Norma Miller; Leora Maley; Leland Owens; Avice Elaw; L.J. Ehly; Ronald Becker; Warren See; Pat Warta; Bob Stanton; Rosemary Higgins; Jack States; Coleman Schick; Donna Kelling; Wanda Edelman; Bob Becker; Bill Miller; Raymond McGuire; Gene Noel; Carl Smith; Bob Wallgren; T.J. Harmon; and Everett Kendall. Our class sponsor was Mr. Rolfs.

In our second year we were given more privileges but were still underclassmen. We lost five members of the class: Coleman Schick, Warren See, Wanda Edelman, Everett Kendall and Pat Warta. Connie Baker came to Logan from Morton and Waunetta Slansky from Plainville to make our class enrollment twenty-six. Our class officers were Rob Schultz, president; Virginia Reese, secretary and treasurer; Dee Palmer, vice-president; and Ronald Becker, Student Council representative. We were asked by the juniors to serve the junior-senior banquet at which the girls wore pastel colored garments. Mr. Curtis was our sponsor.

September, 1952, found us starting as juniors. Warren See joined us again making an enrollment of 27. Our officers were Rob Schultz, president; Dee Palmer, vice-president; Donna Kelling, secretary and treasurer; Bill Miller, Student Council representative. Our sponsor was Mr. Morris. We presented our class play, "They Gave Him a Co-ed." We chose "Rainbows" as our theme for our banquet, the most important event of the year. We got quite a thrill when we received our class rings. It was interesting to see how many times the rings "changed wearers."

At long last we were seniors. We lost four members of our class: Warren See, Gene Noel, Waunetta Slansky, and L.J. Ehly. Pat Davis Screen joined us making an enrollment of 24. Our class officers were Rob Schultz, president; Dee Palmer, vice-president; Donna Kelling, secretary and treasurer; and Billy Fritschen, Student Council representative. Our class sponsor was Mr. Morris. We presented the play "Dance in Distress." At the time of this writing we are looking forward to a second play; junior and senior banquet; alumni banquet and last but by no means least, commencement and the senior snack.

Senior Will

We, the Senior Class of 1954 of Logan High School, of the city of Logan, County Phillips and the state of Kansas, being of a sound mind and memory do hereby make, publish, and declare this to be our last will and testament, hereby revoking any will or wills heretofore made by us.

I, Bob Stanton, will my giggle to Danny Kelling and my ability to get engaged while in high school to Darrell Stanton.

I, Norma Miller, will my talkativeness to Carol Fox, and my ability to get along with the history teacher to the members of the junior class.

I, Ronald Becker, will my bashfulness to Norman Morklien and my ability to keep a model A running to Leland Griffin.

I, Dee Palmer, will my great height to Darrell Becker and my chair in the trumpet section in band to Mark Winters.

I, Leora Maley, will my ability to snag an alumni to Bonny Trisler and my eight o'clock school attendance to Bob Hooper.

I, Avice Blaw, will my ability to be a cheerleader to Iva Mae Forsberg and my ability to get a man and keep him through four years of high school to Nancy Atkinson.

I, Sharon Lafferty, will my position as accompanist to Marilyn Reitzel and my ability to get involved in all school activities to Judy Lafferty.

I, Carl Smith, will my ability to make touchdowns to Gary Ware and my attractions for the freshman girls to Darrell Luthi.

I, Jack States, will my curly hair to Edwin Stark and my sales ability to Johnny Smith.

I, Billy Fritschen, will my big feet to Gary Foster and my ability to get along with girls to LaDon Lappin.

I, Pat Screen, will my ability to make A's to Dorothy Brasted and my singing ability to Ralph Lynch.

I, Raymond McGuire, will my ability to sing bass to the Hoch brothers and my ability to get into trouble to Jerry Horn.

I, Virginia Reese, will my height to Pat Brault and my slim figure to Harriet McCue.

I, Bob Backer, will my athletic ability to Boyd Limse and my talent for getting out of work to Phil McCollum.

I, Lawrence Ruff, will my pencil collection to Dalbert Bruning and my way with women to Roger Schultz, (who certainly doesn't need it.)

I, Bill Miller, will my taxi duty to Raymond Richardson and my ability to bluff to Leland Moser.

I, T. J. Harmon, will my leaning post in the front hall to Gene Forsberg and my good looks to Jerome Petsold.

I, Theron Owens, will my athletic ability to Roger Wallgren and my ability to get along with Miss Babcock to Randall Demuth.

I, Robert Schultz, will my special ability to go with a different girl from Phillipsburg every other night to Marle Snyder and my blush to Pete Owens.

I, Rosemary Higgins, will my ability to stay away from men to Joyce McClellan and my late studying hours to Patsy Hill.

I, Connie Baker, will my ability to circulate the news to Dorothy Withington and to go with out of town boys to Becky Schick.

I, Bob Wallgren, will my ability to talk my way out of trouble to Richard Hofaker and my place in boys quartet to Myron Becker.

I, Leland Owens, will my temper to Margie Weigant and my ability to skip school to Alice Forsberg.

I, Donna Kelling, will my sweet disposition to Vesta Forsberg and my place as office girl to Wanda Withington.

We, the senior class in its entirety, will our "slightly" used history books, much chewed gum, and our "privilege" of wandering in the halls to the juniors. Our nice, quiet, agreeable class meetings to the sophomores, our ability to get along with each other and the teachers to the freshmen, and our hard earned campusology to the incoming freshmen. To the faculty our unused knowledge and our much abused English language.

In witness whereof, we the class of 1954, the testator, have set our hand and seal hereto the seventeenth day of May in the year of our Lord one thousand nine hundred and fifty-four.

Senior Prophecy

May 17, 1964

Dear Miss Babcock,

In answer to your letter of March 15 concerning the activities of the seniors of 1954 I find, after considerable research, the following information:

Sonny Ruff, who was the most enthusiastic fisherman in Logan, has decided his luck wasn't so good, so he is now in business of stuffing those "big Whoppers" for the other more fortunate fishermen around Logan.

Ronald Becker is a world famous chemist. His latest theories are said to surpass Einstien's in greatness. He has solved the problem of "How to make water run up hill."

Bill Miller is now the Don Juan of Hollywood. He is known as the greatest lover since John Barrymore. No party or evening at the swank night spots is complete without his charming person.

Theron Owens is a missionary in Africa among the headhunters. His experiences will soon be published under the title, "How I Attained My Goal and Kept My Head."

Rosemary Higgins can be found in deepest Africa on her latest Safari checking her nursing outposts. She works closely with Theron Owens in his mission posts.

Bob Becker owns and operates a dancing school for girls. His specialty is water ballet. He is trying at present to teach his girls some exceedingly difficult routines.

Bob Stanton now has a thriving snowball business in Alaska. He packs them in refrigerated cartons and ships them to the South Sea Islands for the natives to play with.

Avice Blew Stanton is now keeping house in the most modern igloo in Alaska. She and her three red-headed boys are kept busy making snowballs for the Stanton Snowball Company.

Sharon Lafferty's face and music are familiar on all the airways as she can be seen and heard daily on a National T V dinner hour program. Sharon and her all boy orchestra replaces Fred Waring.

Raymond McGuire has just been re-elected as the most Peace-Loving City Marshall of Logan. He was thought to be the best man for the job because of all his former experiences with city marshalls.

Carl Smith is the best yodeler in the Swiss Alps. In his spare time he plays hide and seek with Heidi and makes his living selling Swiss watches to friends in the U. S. A.

Connie Baker has taken over Hedda Hopper's position as top "gossip columnist" in Hollywood. She is engaged for the fifth time. This time it's the crooner Gary Crosby.

Virginia Reese has finally reached her goal. She is teaching physical education at Hays. To date she has found no challenger to her title of World's Champion Lady Wrestler.

Dr. Bryan Dee Palmer, who is head of the Washburn History Department, has just announced for the fifth straight year that he has flunked his former, history teacher, Clyde Morris, who is trying to get his Masters Degree. It seems Mr. Morris doesn't get all his required assignments completed on time.

Donna Kelling can be found most anywhere these days. She is United States Ambassador to Russia. She sits at the conference table sipping limades with a far away look in her eye vetoing everything.

Ted Harmon, as you undoubtedly already know, is seen daily on the CBS T V show, "Harmon and His Harmonaires," of which he is star and master of ceremonies. Last year his show was acclaimed the most hilarious and entertaining show on the air.

Jack States and his wife, the former Lola Post, are very happy living in an expensive hotel in New York. He got all his money by transforming the "Saturday Evening Post" into the "Every Evening Post."

Leora Foresberg, the former Leora Maley, can be found most any place these days. Don liked the army so well he stayed in after his two years stretch and has acquired the rank major. Leora lives in Washington, D. C. but flies back to Logan every three weeks.

Bob Wallgren is now president of an engineering firm. He specializes in constructing extra long escalators. His latest project is constructing an escalator to the bottom of the Royal Gorge.

Mrs. Pat Screen is the proud ma ma of quadruplets. She has named them Window Screen, Door Screen, Nail Screen, and Ice Screen.

Mr. Robert Schultz who sings tenor at the Metropolitan Opera in New York has just appeared in a new opera "Paul Revere's Ride." Mr. Schultz sang the part of the horse.

Norma Miller is now performing as a dare devil rider in the Ringling Brothers Circus. She rides a motorcycle across a fifty foot tight rope, standing on her head, and recites the Gettysburg address backwards.

Dr. Loland Owens is fast becoming one of the best pediatricians in the Midwest. He is also, the most eligible bachelor babysitter available. Loland has made a great hit with the kids and is envied by many.

I am head of the "Itch and Scratch" Club. I got the name of this famous club from our old senior class motto, "Don't itch for success. Scratch for it." In my spare time I can be found doing as little as possible.

I hope this answers your questions concerning the class.

With best wishes,

Bill Fritschen
